My Opinion Counts

You have just read about and completed a series of investigations about the relationship between Tundra Buggies® and polar bears. When we started this unit you had an opinion about ecotourism. After reading about this case study and learning about Churchill, how has your opinion changed?

Make sure to include the following:

- Your original opinion
- Your new opinion
- Factors that contributed to your opinion changing or not changing. Give at least three pieces of information for support.
